Mental health care that complements the work you already do

Thera-Peds families often need more than OT, PT, or speech alone—support for ADHD and autism questions, behavioral and emotional challenges, and assessments that help with school accommodations. Joy Mental Health Group is your co-located partner at 16137 Leone Drive, ready for therapy, diagnostic clarity, and telehealth medication when families need the next step.

SAME BUILDING **Co-located with Thera-Peds in Macomb.** Families you already see can walk next door for mental health care—same address, coordinated handoffs, fewer barriers between developmental therapy and behavioral health.

NOW ACCEPTING **Immediate clinician availability.** Our team of 20+ clinicians brings a variety of expertise—including 6 who specialize in assessment—so people can get seen quickly. Therapists and medication providers are ready for new referrals without a long wait.
