

Refer to Joy in Macomb

Keep Macomb, Clinton Township, and Romeo patients in-county. Outpatient therapy, ADHD testing, and medication — one referral, one practice.

Why colleagues send people here

- We rarely have a waitlist — often immediate openings.
- In-network with most major commercial plans from any state. Some clinicians take Medicaid. Cash pay always available.
- ADHD and psychological testing billed to BCBS and BCN — not a cash-only shop.
- Therapy, assessment, and medication under one roof. We close the loop with you.
